5. admin → login → Vidhyalay

: Yaha par searching ke liye text box and button laga dijiye. Abhi ye background process hota rahta hai and Time taken hai. Hame "keypress" searching ka requirement nahi hai. Page open hote hi, text box samne aa jaaye. Aapko Sankul list me bhi ye theek karna hai. Abhi list bahut kam hai only 14 District hi hai, but baad me yaha bhi problem hogi.

Abhi yaha par hai.

Hamare sabhi uploading and downloading ke work uploads naam ke folder ke andar folders bana kar ho rahe hai. Aap in dono folders ko bhi uploads folder me shift kar dijiye.

7. Change Soft Backup Searching : Aapko bataya tha ki "Key Press" searching nahi karni hai. Right side wale search ko drop down ke right side me lana hai. "Submit" ke press karne par hi File name se search karna hai. Abhi jaha par (right side) me search ka text box hai waha par Name base search kar sakte hai.
